

Star Wars: Legends - Novel Checklist

Series	Book Title	Format	Publication Date	Timeline ⁺	Own
--------	------------	--------	------------------	-----------------------	-----

- Version 5.0 - September 17th, 2020

- This information is a collection of all available *Star Wars Legends - Adult and Teen Novels* in the *Star Wars Legends* universe. As new books get released this checklist will be updated. Also if I missed any older books they will be added to newer releases of the checklist. This list only includes Legends materials, any new novels for the Canon timeline will be listed elsewhere.

- Any currently ongoing series' are located at the end of the checklist.

- This is meant to be a listing of available books in all formats, but I will not be posting multiple releases in the same format. i.e. only one paperback will be listed if there are multiple releases unless there is new material released in a new printing.

⁺Timeline - An "X" indicates that the story has been placed on the timeline

Sci-Fi BC - Science Fiction Book Club exclusive hardcover release. I have them listed when they are the first printing but since they were not widely available I have also included the first wide releases as well.

Trade PB - Trade Paperback are softcover novels that are larger than traditional paperbacks but smaller than hardcovers.
