### - Version 1.0 - December 18th, 2018

#### - New Lego Timeline -

Due to the large scale and complexity of the Lego Star Wars universe, I figured it was time to have my own Lego Star Wars Timeline. Often the Lego products diverge so far from the standard Canon or Legends storylines that they really are their own entity. So, here is a list of all known Lego Star Wars stories. Included are other stories as well if the Lego story represents a retelling of that story, such as the movies or cartoon episodes.

#### - Media Categories -

Compilation	Sourcebooks, Galaxy Magazine, Adventure Journal, RPG Book, Universe, Gamer, etc.
Online _____	Any story (comic, movie, etc.) found online.
Movie/ Cartoon/ Radio	Any movies, cartoons, or radio programs
Y-Novel	Stories directed towards youths
Comic	Comic books and trade paperbacks.
Video Game	Video Game

#### - Time -

All times in **Black and Bold** indicate time that is centered around the Battle of Yavin (Star Wars Episode IV - A New Hope). *BBY* stands for Before the Battle of Yavin and *ABY* is After the Battle of Yavin.
